

The Vinyl Collector's Index

*100 records cataloged — pressing, condition,
story*

Daystone Press

How to use this journal

Records are objects with histories. The pressing, the catalog number, the day you found it at the back of a dusty crate.

This index turns your collection into a reference — useful when selling, lending, or showing off.

Note condition, sleeve quirks, and the story of how each one came to you.

Record entry #001

Date added:

Artist:

Album title:

Year (original press):

Pressing details:
